

Students Rebuild – November 2012 Giving Thanks & Inspiring Action

Thanks to your commitment and participation, we're making incredible progress toward a grand vision: To cover the National Mall in Washington, D.C. with 1,000,000 handmade bones in June, 2013. From Seattle to Saudi Arabia, hundreds of teams from 15 countries and 45 U.S. states are taking a stand against humanitarian crises by joining the One Million Bones challenge. Here's how you can join the movement:

One in a Million Facebook Campaign

Share your "I am One in a Million" photos on [our Facebook wall](#) this month and we'll put them in our compilation video coming out in December! Check out some of the [great shots](#) we've already received.

Holiday Campaign

Make bones for peace, hope and healing this holiday season. As you gather with loved ones, consider making bones as a symbol of peace, hope and our shared connectedness. It's also a great way to give back for the holidays, since each bone generates \$1, up to \$500,000 to support [CARE's rebuilding efforts](#) for young people in the [Democratic Republic of Congo \(DRC\)](#) and [Somalia](#).

Students Rebuild On Tour!

On Tour! is underway. Invite Terrance and Stephanie to visit your community by emailing abigail@gng.org. On Tour! brings Students Rebuild to your school or community group with a free presentation and bone making workshop so you can become one in a million and ensure your community is part of our global art installation in D.C! Follow the latest [On Tour! adventures](#).

Connect to Congo

Check our humanitarian crises blog to hear directly from students like [Abigael at ETN](#), a [CARE](#) supported vocation school in the DRC. See photos of daily life in Goma, DRC [here](#). Learn more

about [interactive video conferences and webcasts](#) from our partner, [Global Nomads Group](#), and connect your classroom directly to Congo.

State Coordinators on a Roll

In collaboration with the Students Rebuild Challenge, [One Million Bones](#) began recruiting State Coordinators in August from all over the country. We now have 44 Coordinators on the ground in 37 states and the District of Columbia, from Tallahassee to Seattle and Juneau to Houston! Each State Coordinator will raise awareness of the project in his or her local community and will rally support and bone makers through January, 2013. Meet some of our exceptional State Coordinators in [New York](#), [Kentucky](#) and [Colorado](#).

Haiti

Last month the [Pele School finished](#) its first classroom block (following [a transformative paint job](#)), the Haiti Team [draws flyers](#) to announce a new school and Haiti Team head Darren Gill reports back on Hurricane Sandy's [path through the Caribbean](#).

Japan

The Kitakami market celebrated its second ceremony; the "topping out" of its timber framing [brought the whole community together](#). Students in Cincinnati take a next step toward [a monumental playground](#) in Ishinomaki, and Hurricane Sandy's storm surge reminds us of the [hope after devastation](#).

Stay connected to the Students Rebuild community through our social media channels on [Pinterest](#), [Tumblr](#), [Twitter](#), [Facebook](#), [YouTube](#) and [Google+](#)!

Cheers!

The Students Rebuild Team
